#### **MANAGEMENT'S RESPONSIBILITY**

To the Members and Board of the Cochrane District Social Services Administration Board:

Management is responsible for the preparation and presentation of the accompanying consolidated financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian public sector accounting standards and ensuring that all information in the annual report is consistent with the statements. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the consolidated financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of consolidated financial statements.

The Board of Directors is composed entirely of Directors who are neither management nor employees of the Organization. The Board is responsible for overseeing management in the performance of its financial reporting responsibilities, and for approving the financial information included in the annual report. The Board fulfils these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with management and external auditors. The Board is also responsible for recommending the appointment of the Organization's external auditors.

MNP LLP is appointed by the Board to audit the consolidated financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Board and management to discuss their audit findings.

## **INDEPENDENT AUDITOR'S REPORT**

To the Chairman and Board of the Cochrane District Social Services Administration Board:

#### Opinion

We have audited the accompanying consolidated financial statements of Cochrane District Social Services Administration Board (the "Organization"), which comprise the consolidated statement of financial position as at December 31, 2022, and the consolidated statements of financial activities and accumulated surplus, change in net debt, re-measurement gains (losses) and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion, these consolidated financial statements present fairly, in all material respects, the financial position of the Organization as at December 31, 2022 and the results of its financial activities and the changes in net debt, its remeasurement gains (losses) and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

#### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Board in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Other Matter**

The supplementary information contained in Schedule 1 is presented for the purposes of additional analysis and is not part of the basic audited consolidated financial statements. The information in Schedule 1 was derived from the accounting records tested in forming an opinion on the consolidated financial statements as a whole.

#### Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud
  or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient
  and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from
  fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions,
  misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the board's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

### **DECEMBER 31, 2022**

### 1. NATURE OF OPERATIONS

Cochrane District Social Services Administration Board (the "Organization") is an organization which administers various programs of the Ministry of Children, Community and Social Services (MCCSS), Ministry of Education (EDU), Ministry of Health and Long-Term Care (MOHLTC), Ministry of Municipal Affairs and Housing (MMAH) and Ministry of Labour, Training, and Skills Development (MLTSD). The Board also provides social housing in the Cochrane District. The Board is funded primarily by the Province of Ontario, the Government of Canada and twelve incorporated municipalities from the District of Cochrane.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The consolidated financial statements of the Organization are the representation of management prepared in accordance with Canadian public sector accounting standards. The more significant of these accounting policies are summarized below.

#### (a) REPORTING ENTITY

The reporting entity includes the Organization and all related entities owned and controlled by the Organization.

#### Principles of Consolidation

All controlled entities are fully consolidated on a line-by-line basis except for commercial enterprises which meet the definition of a government business enterprises which are included in the consolidated financial statements on a modified equity basis. Inter-organizational balances and transactions are eliminated upon consolidation.

Entities consolidated in the Organization's financial statements include Cochrane District Social Services Administration Board and its controlled organization, Cochrane District Local Housing Corporation.

#### (b) ACCRUAL ACCOUNTING

The consolidated financial statements of the Organization have been prepared using the accrual basis of accounting. The accrual basis of accounting recognizes revenues as they become available and measurable; expenditures are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

#### (c) FUND ACCOUNTING

The Organization follows the restricted method of accounting for contributions and maintains 3 funds: general revenue fund, tangible capital assets and reserve funds. The general revenue fund reports the Organization's operational revenues and expenses. The tangible capital assets fund reports the organizations revenues and expenses related to the tangible capital assets. The reserve funds report revenue and expenses related to reserves.

### (d) CASH AND CASH EQUIVALENTS

Cash and cash equivalents include balances with banks and short-term investments with maturities of three months or less.

#### (e) PORTFOLIO INVESTMENTS

Portfolio investments with prices quoted in an active market are measured at fair value while those that are not quoted in an active market are measured at cost less impairment. Portfolio investments with prices quoted in an active market include equities. Changes in fair value are recorded in the statement of remeasurement gains (losses).

#### (f) RETIREMENT AND OTHER EMPLOYEE FUTURE BENEFITS

The Organization provides future benefits to specified employee groups. These benefits include sick leave, vacation pay and health care benefits. The costs of other employee future benefit plans are actuarially determined using the Organization's best estimate of accumulated sick days at retirement and health care costs trends, long-term inflation rates and discount rates.

The Organization accrues its obligations under employment benefit plans as the employees render the services necessary to earn employee future benefits. The cost of retirement benefits earned by employees is actuarially determined using the projected benefit method pro-rated on service and management's best estimate of salary escalation, retirement ages and expected health care costs. Actuarial valuations, where necessary for accounting purposes, are performed triennially. The discount rate used to determine the accrued benefit obligation was the expected cost of long-term debt. Unamortized actuarial gains or losses are amortized on a straight-line basis over the expected average remaining service life of the employee group.

Where applicable, the Organization has set aside reserves and reserve funds intended to fund these obligations, either in full or in part. These reserves and reserve funds do not meet the definition of a plan asset under CPA Canada PS 3250 Retirement Benefits. Therefore, for the purposes of these consolidated financial statements, the plans are considered unfunded.

#### (g) NON-FINANCIAL ASSETS

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year, and are not intended for sale in the ordinary course of operations. The change in non-financial assets during the year, together with the excess of revenues over expenses, provides the Change in Net Financial Assets for the year.

#### (h) TANGIBLE CAPITAL ASSETS

Tangible capital assets are recorded at cost, which includes all amounts directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets are amortized on a straight-line basis over the estimated useful lives as follows:

| Buildings                                | 50 years      |
|--|---------------|
| Building improvements                    | 10 - 20 years |
| Communication, IT equipment and software | 3 - 5 years   |
| Furniture, fixtures and appliances       | 5 - 10 years  |
| Land improvements                        | 10 years      |
| Leasehold improvements                   | 10 years      |
| Machinery and equipment                  | 5 - 10 years  |
| Office equipment                         | 5 - 10 years  |
| Vehicles and mobile equipment            | 5 - 10 years  |

The Organization has a capitalization threshold dependant on the asset type so that individual tangible capital assets of lesser value than the threshold are expensed unless they are pooled because, collectively, they have a significant value for operational reasons.

Tangible capital assets acquired during the year but not placed into use are not amortized until they are placed into use.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

### (i) REVENUE RECOGNITION AND GOVERNMENT TRANSFERS

The programs are funded primarily by the Province of Ontario in accordance with budget arrangements established by the MCCSS, EDU, MOHLTC, MAMH and MLTSD. Government transfers are transfers from senior levels of government that are not the result of an exchange transaction and are not expected to be repaid in the future. Government transfers without eligibility criteria or stipulations are recognized as revenue when the transfer is authorized. A transfer with eligibility criteria is recognized as revenue when the transfer is authorized and all eligibility criteria have been met. A transfer without eligibility criteria but with stipulations is recognized as revenue in the period the transfer is authorized and all eligibility criteria have been met, except where and to the extent that the transfer gives rise to an obligation that meets the definition of a liability. Government transfers that meet the definition of a liability are recognized as revenues as the liability is extinguished.

The programs are also funded by member municipalities from the District of Cochrane. Contributions for the year are based on the weighted assessments for each municipality. Any excess or deficiency of the municipalities' contributions in the year over their respective share of program's expenses is apportioned among the municipalities in the same proportion as the original contributions.

Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

### (j) RESERVES AND RESERVE FUNDS

Reserves and reserve funds represent amounts appropriated for general and specific purposes and are charged or credited to the respective fund in the period appropriated or drawn down. The amounts in reserves are approved by the Board and are within the limits defined in the District Social Services Administration Boards Act.

#### (k) MEASUREMENT UNCERTAINTY

The preparation of consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenditures during the reporting periods. Such estimates include the estimated useful lives of tangible capital assets, accruals, allowance for doubtful accounts and the retirement and other employee benefits obligation. These have been made using careful judgment and in light of information available. The consolidated financial statements have in management's opinion, been properly prepared within reasonable limits of materiality. Actual results could differ from these estimates.

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### (I) FINANCIAL INSTRUMENTS

The Organization recognizes its financial instruments when the Organization becomes party to the contractual provisions of the financial instrument. All financial instruments are initially recorded at their fair value.

At initial recognition, the Organization may irrevocably elect to subsequently measure any financial instrument at fair value. The Organization has not made such an election during the year.

The Organization subsequently measures investments in equity instruments quoted in an active market and all derivative instruments at fair value. Fair value is determined by published price quotations. Transactions to purchase or sell these items are recorded on the trade date. Net gains and losses arising from changes in fair value are recognized in the statement of remeasurement gains and losses. Investments in equity instruments not quoted in an active market and derivatives that are linked to, and must be settled by delivery of, unquoted equity instruments of another entity, are subsequently measured at cost. With the exception of those instruments designated at fair value, all other financial assets and liabilities are subsequently measured at amortized cost using the effective interest rate method.

Transaction costs directly attributable to the origination, acquisition, issuance or assumption of financial instruments subsequently measured at fair value are immediately recognized in operating surplus (deficit). Conversely, transaction costs are added to the carrying amount for those financial instruments subsequently measured at cost or amortized cost.

All financial assets except derivatives are tested annually for impairment. Management considers recent collection experience for the loans, such as a default or delinquency in interest or principal payments, in determining whether objective evidence of impairment exists. Any impairment, which is not considered temporary, is recorded in the consolidated statement of financial activities. Write-downs of financial assets measured at cost and/or amortized cost to reflect losses in value are not reversed for subsequent increases in value. Reversals of any net remeasurements of financial assets measured at fair value are reported in the consolidated statement of remeasurement gains and losses.

#### (m) FAIR VALUE MEASUREMENTS

The Organization classifies fair value measurements recognized in the consolidated statement of financial position using a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1: Quoted prices (unadjusted) are available in active markets for identical assets or liabilities;
- Level 2: Inputs other than quoted prices in active markets that are observable for the asset or liability, either directly or indirectly; and
- Level 3: Unobservable inputs in which there is little or no market data, which require the Organization to develop its own assumptions.

Fair value measurements are classified in the fair value hierarchy based on the lowest level input that is significant to that fair value measurement. This assessment requires judgment, considering factors specific to an asset or a liability and may affect placement within the fair value hierarchy.

#### (n) DERIVATIVE FINANCIAL INSTRUMENTS

Derivative financial instruments are financial contracts whose value changes in response to a change in an underlying variable, such as specified interest rate or financial instrument. The Organization enters into derivative contracts to manage its exposure to interest rate risks associated with its long-term debt.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

## (o) CONSOLIDATED STATEMENT OF REMEASUREMENT GAINS AND LOSSES

By presenting remeasurement gains (losses) separately, changes in the carrying value of financial instruments arising from fair value measurement are distinguished from revenues and expenses reported in the consolidated statement of financial activities. The consolidated statement of financial activities reports the extent to which revenues raised in the period were sufficient to meet the expenses incurred. Remeasurement gains (losses) do not affect this assessment as they are recognized in the consolidated statement of remeasurement gains and losses. Taken together, the two statements account for changes in Organization's accumulated surplus in the period.

Upon settlement, the cumulative gain (loss) is reclassified from the consolidated statement of remeasurement gains and losses and recognized in the consolidated statement of financial activities. Interest attributable to all financial instruments is reported in the consolidated statement of financial activities.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (CONT'D)

#### DECEMBER 31, 2022

### 6. LONG-TERM DEBT (CONT'D)

The Ministry of Municipal Affairs and Housing (MMAH) transferred title to all the housing units to Cochrane District Local Housing Corporation. The transfer was made such that the MMAH retained the debt that was outstanding on the properties. The MMAH continues to make the mortgage payments. In return, the subsidies received from the MMAH and the Federal government are reduced by the amount of these principal and interest payments. There are 14 (2021 - 23) debentures with an interest rate of 6.09% (2021 - 6.09%). The principal and interest payments for 2022 were \$703,379 (2021 - \$917,481).

The first loan from TD Bank is a swap rate term loan agreement on the Cochrane Seniors Complex. The loan is a 25 year amortization. The swap is 20 years with a 5 year Optional Exit Strategy. The swap agreement exchanges CDSSAB's Banker's Acceptance variable loan payments for an established fixed rate payment. The exchange of interest payments result in an effective interest rate of 2.47% plus a 0.63% stamping fee for an all-in interest rate of 3.1%. TD Bank retains a general security agreement representing a first charge on all present and after acquired property, an assignment of rents and leases specific to 515-11th Street, Cochrane, Ontario and an assignment of fire insurance on said property. This loan matures in December 2035.

The second loan from TD Bank is a swap rate term loan agreement on 183-189 5th Avenue, 45 Spruce Street, and 71 Main Street, all in Timmins, Ontario. The loan is a 30 year amortization. The swap is 20 years with a 5 year Optional Exit Strategy. The swap agreement exchanges CDSSAB's Banker's Acceptance variable loan payments for an established fixed rate payment. The exchange of interest payments result in an effective interest rate of 1.07% plus a 0.71% stamping fee for an all-in interest rate of 1.78%. TD Bank retains a general security agreement representing a first charge on all present and after acquired property, an assignment of rents and leases specific to 183-189 5th Avenue, 45 Spruce Street, and 71 Main Street and an assignment of fire insurance on said properties. This loan matures in December 2050.

The third loan from TD bank is a swap rate term loan agreement on 303 6th Street in Cochrane, Ontario. The loan is a 30 year amortization. The swap is 10 years with a 5 year Optional Exit Strategy. The swap agreement exchanges CDSSAB's Banker's Acceptance variable loan payments for an established fixed rate payment. The exchange of interest payments results in an effective interest rate of 2.24% plus a 0.45% stamping fee for an all-in interest rate of 2.69%. TD Bank retains a general security agreement representing a first charge on all present and after acquired property, an assignment of rents and leases specific to 303 6th Street and an assignment of fire insurance on said property. The loan matures in November 2051.

### **DECEMBER 31, 2022**

### 8. RETIREMENT AND OTHER EMPLOYEE FUTURE BENEFITS (CONT'D)

#### **RETIREMENT BENEFITS**

#### (a) RETIREMENT GRATUITIES

The Organization provides retirement gratuities to certain groups of employees. The amount of the gratuities paid to eligible employees at retirement is based on their salary and accumulated sick days at retirement.

(b) RETIREMENT LIFE INSURANCE AND HEALTH CARE BENEFITS

The Organization continues to provide life insurance and health care benefits to certain employee groups for one year after retirement. The benefit costs and liabilities related to this plan are included in the Board's financial statements.

#### OTHER EMPLOYEE FUTURE BENEFITS

#### (a) WORKPLACE SAFETY AND INSURANCE BOARD OBLIGATIONS

The Organization is a Schedule 1 employer under the Workplace Safety and Insurance Act and, as such, the Organization insures all claims by its injured workers under the Act. The Organization's insurance premiums for the year ended December 31, 2022 were \$41,396 (\$274,666 net of refunds of \$233,270 for previous years, 2021 - \$271,429) and are included in the Organization's current year benefit costs. No liabilities for claims by its injured workers under the Act are included in the Organization's consolidated financial statements.

#### (b) LONG-TERM DISABILITY

The Organization provides life insurance, dental and health care benefits to employees on long-term disability leave. The Organization is responsible for the payment of life insurance premiums and the costs of health care benefits under this plan for a two-year period. The costs of salary compensation paid to employees on long-term disability leave are fully insured and not included in this plan.

#### 9. RESERVES AND RESERVE FUNDS

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (CONT'D)

### **DECEMBER 31, 2022**

#### 10. PENSION AGREEMENTS

The Organization makes contributions to the Ontario Municipal Employees Retirement System (OMERS), which is a multi-employer plan, on behalf of members of its staff. The plan is a defined benefit plan which specifies the amount of the retirement benefit to be received by the employees based on the length of service and rates of pay.

The amount contributed to OMERS for 2022 was \$1,465,687 (2021 - \$1,449,053) for current service. As this is a multi-employer pension plan, these contributions are CDSSAB's pension benefit expense. No pension liability for this type of plan is included in the Organization's consolidated financial statements.

### 11. FINANCIAL INSTRUMENTS

The Organization is exposed to various risks through its financial instruments and monitors, evaluates and manages these risks. The following analysis provides information about the company's risk exposure and concentration as of December 31, 2022.

#### Credit risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. The Organization is exposed to credit risk from tenants. In order to reduce its credit risk, the Organization reviews a clients' credit history before extending credit and conducts regular reviews of its existing customers' credit performance. An allowance for doubtful accounts is established based upon factors surrounding the credit risk of specific accounts, historical trends and other information. The Organization has a significant number of clients which minimizes the concentration of credit risk.

#### Fair value

The Organization's carrying value of cash and cash equivalents, accounts receivable, and accounts payable approximates its fair value due to the immediate or short term maturity of these instruments.

The carrying amount of long-term debt approximates the fair value as the interest rates are consistent with current rates offered to the Organization for debt with similar terms.

#### Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. In seeking to minimize the risks from interest rate fluctuations, the company manages exposure through its normal operating and financing activities. The Organization is exposed to interest rate risk primarily through its floating interest rate.

#### 12. COMMITMENTS

The Organization has leased office space under operating leases for various periods up to the year 2043. The Board is also paying rent on a month-to-month basis for leased office space.

Future minimum lease payments are as follows:

| 2023       | \$<br>135,808 |
|------------|---------------|
| 2024       | \$<br>89,424  |
| 2025       | \$<br>29,000  |
| 2026       | \$<br>29,000  |
| 2027       | \$<br>29,000  |
| Subsequent | \$<br>461,583 |

#### 13. ECONOMIC DEPENDENCE

The majority of the Organization's revenue is received from the provincial and federal governments and member municipalities. The continuation of this organization is dependent on this funding.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (CONT'D)

### DECEMBER 31, 2022

### 14. CONTINGENCIES

The Organization is involved in a number of claims and possible claims which are a result of normal on-going operations. In the eventuality that the Organization is unsuccessful in defending some of these claims, amounts are available in existing reserves, reserve funds and the operating fund. Management is of the opinion that these amounts are sufficient to cover these claims. Any settlements or awards which may arise or any difference with the provision made will be reflected in the financial records in the year that the amount has been determined.

### 15. SEGMENTED INFORMATION

The Organization supports the development of healthy and self-sufficient communities through the innovative and responsive delivery of Children's Services, Community Housing, Emergency Medical Services and Social Assistance. For reporting purposes, the Board's financial activities are organized and reported by program.

Certain programs that have been separately disclosed in the segmented information, along with the services they provide, are as follows:

#### (a) SOCIAL HOUSING

Housing Services administers rent-geared-to-income assistance to eligible households in the Cochrane District. The department also manages a housing portfolio of 1,373 units (which includes CDLHC residential units) and 102 rent supplement units and administers the Housing Services Act of 2011 for the various Non-Profit and Co-Operative Housing Providers' portfolio of 778 units. Providers operate affordable housing projects that offer rental units at Market Rents and units that are eligible for rent-geared-to-income subsidy.

Housing assistance is provided to families, seniors, couples, single people and people with special needs in a variety of buildings; townhouses, apartments, single and semi-detached. Private landlords have also agreed to supply accommodation under the rent supplement program.

#### (b) ONTARIO WORKS

The Ontario Works Department provides employment and financial assistance to individuals who comply with the participation requirements intended to assist them in finding and maintaining gainful employment. Individuals receiving assistance through Ontario Works participate in a wide range of employment assistance activities, which help them prepare for, find and keep a job.

#### (c) CHILD CARE

The Children's Services Division manages childcare funding within the District of Cochrane. This includes fee subsidy, resource centre funding, special needs resources, wage subsidy, Community Child Reinvestment funding, Canada Wide Early Learning and Child Care (CWELCC) and funding for special initiatives.

#### (d) LAND AMBULANCE

The Organization is responsible for the provision of Land Ambulance Services within the District of Cochrane based upon fundamental principles which include services that are seamless, accountable, responsive, integrated and accessible.

For each reported segment, revenue and expenses represent both the amounts that are directly attributable to the segment as well as amounts that can reasonably be allocated to the segment. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information.

The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in Note 2. For additional information, see the Schedule of Segment Disclosure (Schedule 6).

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (CONT'D)

### DECEMBER 31, 2022

### 16. CREDIT FACILITY AGREEMENTS

The Organization has three credit facilities in place with CIBC. The first facility is in the amount of \$5,000,000 (2021 - \$5,000,000) to be used for day-to-day cash flow requirements for the admin account. Interest is payable at prime + 0.25% per annum and the balance is repayable on demand. The second facility is in the amount of \$1,000,000 (2021 - \$1,000,000) and is to be used for day-to-day cash flow requirements for the client account. Interest is payable at prime + 0.25% per annum and the balance is repayable on demand. The third facility is in the amount of \$1,000,000 (2021 - \$1,000,000) and is to be used for day-to-day cash flow requirements for the client account. Interest is payable at prime + 0.25% per annum and the balance is repayable on demand. The third facility is in the amount of \$300,000 (2021 - \$300,000) and is to be used for day-to-day cash flow requirements for the housing account. Interest is payable at prime + 0.25% per annum and the balance is repayable on demand. At December 31, 2022, the full amount of the admin, client and housing facilities were available.

### 17. BUDGET INFORMATION

The Budget adopted by the Board of Directors on October 21. 2021 was not prepared on a basis consistent with that used to report actual results (Public Sector Accounting Standards). The budget was prepared on a modified accrual basis while Public Sector Accounting Standards require full accrual basis. The budget figures anticipated use of surpluses accumulated in previous years to reduce current year expenditures in excess of current year revenues is \$1,884,189. In addition, the budget expensed all tangible capital expenditures rather than including amortization expense. As a result, the budget figures presented in the consolidated statements of financial activities and changes in net debt represent the Budget adopted by the Board of Directors on October 21, 2021 with adjustments as follows:

|   | 2022            |

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (CONT'D)

### DECEMBER 31, 2022

## 20. FEDERAL AND PROVINCIAL GRANTS

Revenue from the Province of Ontario and Canadian Government has been calculated according to the terms of the governing statutes and is subject to final approval by the Province and Federal Government. Ultimate determination of amounts is dependent upon the reconciliation of funding by the Province of Ontario and Canadian Government. Adjustment to the accounting records is made at the time of final settlement.

Note 1 : Expenses include allocated administration costs and are before any required adjustments to conform to Canadian public sector accounting standards for local governments as recommended by the Public Sector Accounting Board (PSAB) of CPA Canada.

Note 2: The O.W. Cost of Administration is 50% funded up to the contracted amount of \$3,599,500. The Municipalities must provide 100% funding for expenses that exceed the funding received from the Ministry.

Note 3: The balance to be allocated consists of excess discretionary benefits. The Ministry covers 100% up to \$10/case. Caseload includes OW, ODSP, TCA and ACSD. Any amounts over are non-shareable and become a municipal cost.

Note 1 : Expenses include allocated administration costs and are before any required adjustments to conform to Canadian public sector accounting standards for local governments as recommended by the Public Sector Accounting Board (PSAB) of CPA Canada.

Note 2: The Ministry of Children, Community and Social Services (MCCSS) funds the Employment Supports program based on pre-determined targets established by the provincial government. The Ministry is responsible for funding of 100% of the expenditures if targets are achieved. The Municipalities must provide 100% funding for expenses that exceed the funding received from MCCSS.
